

## CLIENT

Fine Restorations

## COMPANY OVERVIEW

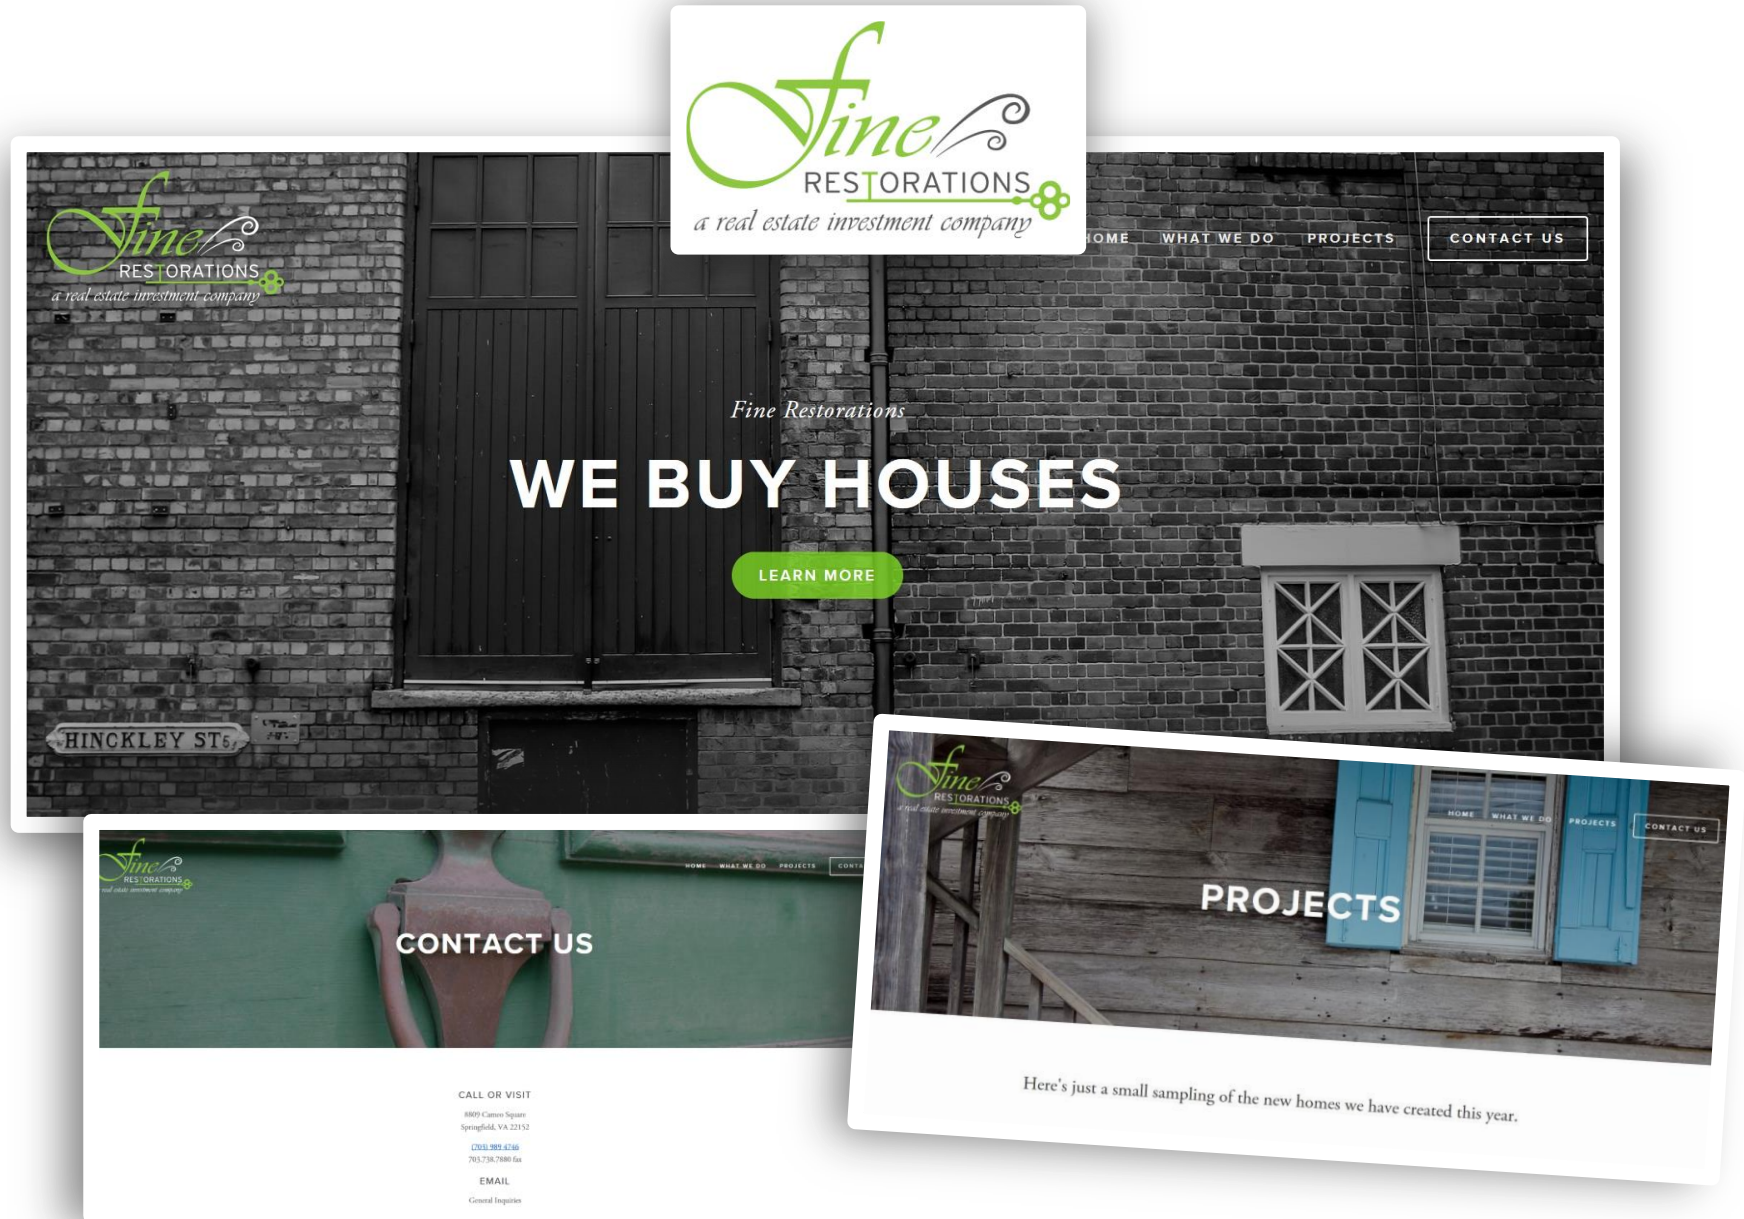

Fine Restorations is a Real Estate Investment Company whose mission is to simplify peoples' investments in the most effective way and to help homeowners sell their houses quickly.

## CHALLENGE

Fine Restorations was a new company with no branding. The client needed a friendly an accessible image that could reach their target public. The main need was to cerate a logo and an informative website.

## SOLUTION

After researching, communicating and collaborating with the client, we came to the final design. The image we created reflects a serious yet approachable Real State Company whose image is elegant, friendly and different from the competitors.
