

CLIENT

Panamerican Construction, LLC.

COMPANY OVERVIEW

Panamerican Construction, LLC. is a "Class A" women owned business licensed contractor company, which has been providing quality services since 1999. The company started in the Washington DC area by purchasing distressed homes and remodeling them entirely.

CHALLENGE

The client needed a complete redesign of their website, making it more modern and easy to navigate to be able to show samples of their work.

SOLUTION

Our goal was to completely rebrand Panamerican as an innovative women owned small business standing out in their industry.

CLIENT

Panamerican Construction, LLC.

LOGO

The new logo was based on the old design, but looked from a different and more vibrant perspective.

We service the entire Metropolitan Area

ABOUT US

Panamerican Construction LLC is a "Class A" licensed contractor company, which has been providing quality services since 1999. The company started in the Washington DC area by purchasing distressed homes and remodeling them entirely. We expanded our services to Virginia to include both residential and commercial projects, and since then we have been doing home remodeling and apartment community renovation.
