

CLIENT

Warrior Seven Yoga

COMPANY OVERVIEW

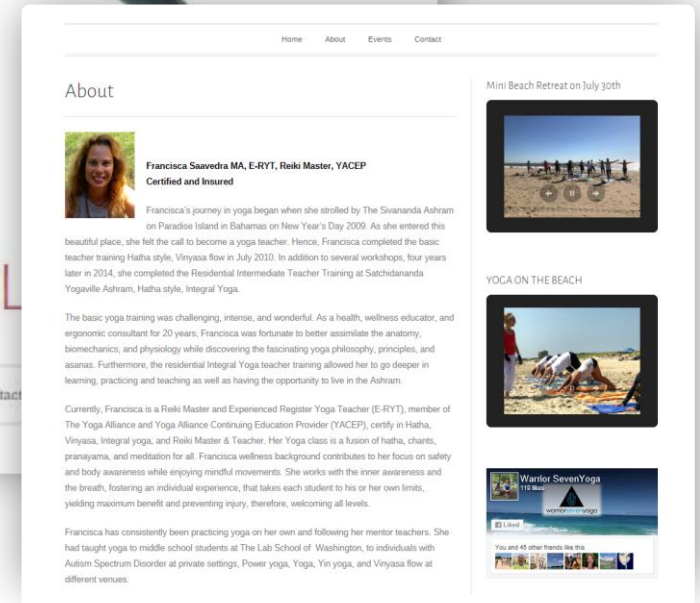

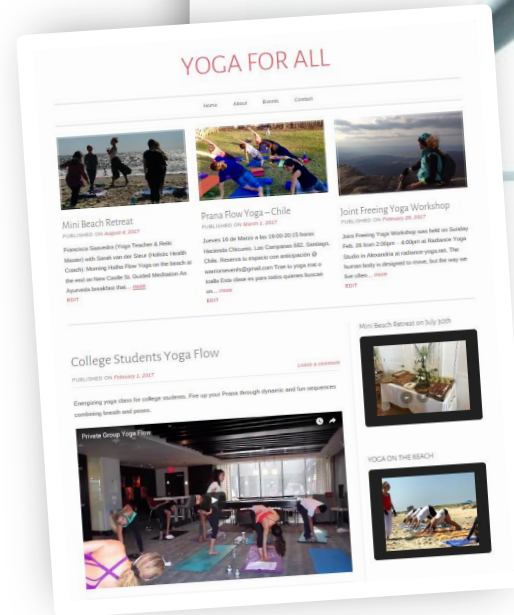

Warrior Seven Yoga has been created with the goal of multiplying the benefits of yoga in the world by fostering a healthier, happier and more peaceful world one person at a time.

CHALLENGE

The client's need was to create an approachable image that will show that yoga is accessible to all who want to practice it and adopt it as part of their lives.

SOLUTION

With the logo we reference the Hamsa Hand, which is an ancient Middle Eastern amulet that in all faiths it is a protective sign. It brings its owner happiness, luck, health, and good fortune. The triangle symbolizes the balance that yoga practitioners aim to. The tag line YOGA FOR ALL inspires the public to that approachable life style.
